

COMPOSITING PROFILE

- Nuke compositor with 8+ years experience in feature films.
- Hard VFX compositing skills integrating 2d or 3d elements in live-action footage or full cg shots.
- Strong eye for detail, colour and lighting.
- Team player with outstanding communication and interpersonal skills. High degree of adaptability and ability to solve problems working both under pressure and tight deadlines, making it possible to work either autonomously or as part of a team.
- Good knowledge of VFX pipeline.
- Experience as lead compositor.
- Experience working with Linux.

PROFESSIONAL GOALS

My current goals is work as digital compositor on challenging shots in great films and be part of a team of great artists where I be able to grow up and improve my vfx skills
